MERIDION

ABOUT US

COMPANY INTRODUCTION

Meridion Horizon General Trading LLC is a dynamic and customer-focused company, established in 2026 by a team of professionals with 20 years plus experience in sourcing, garments, logistics and industrial supplies.

We are a leading supplier of all types of pallets, packaging materials and logistics solutions. Our goal is to provide high-quality products, competitive pricing and dependable service to support businesses of all sizes in improving their supply chain efficiency.

With a strong commitment to excellence, we serve a diverse range of industries including logistics companies, manufacturing, retail, food & beverage, pharmaceutical, automotive, construction and more.

OUR VISION

To become the most trusted and preferred partner for pallets, packaging and logistics solutions in the region by delivering quality, innovation and exceptional service.

OUR MISSION

To provide reliable and cost-effective packaging and logistics products that help our clients operate efficiently and grow successfully, while building long-term partnerships based on trust.

WHY CHOOSE US?

Extensive Range | Customer-Centric | Competitive | Timely Delivery
